## PRIVACY POLICY

### 1. GENERAL INFORMATION

Our company pays considerable attention to the processing and protection of personal data and our priority is to prevent unauthorised intrusion on the privacy of our clients. This policy will inform you what personal data are collected, for what purposes, from what sources they are received and processed and how their protection is ensured, to whom they are transferred and what your rights are. Personal data processing is governed by the applicable legislation, i.e. Act No. 101/2000 Coll., on the protection of personal data, and from 25 May 2018 also by Regulation (EU) 2016/679 of the European Parliament and of the Council – General Regulation on the Protection of Personal Data (hereinafter GDPR), our internal standards and this policy.

### 2. TRANSFER OF PERSONAL DATA TO THIRD PARTIES

The personal data provided by you (name, surname, business e-mail, business phone number) are processed, used and stored for the purpose of processing and conducting business with the company which employs you. Your personal data may be transferred to our partners that provide us with services associated with the business process.

When processing personal data, we take into account the right to the protection of personal data in accordance with the statutory provisions. Based on Recital 47 and Article 21 of GDPR, the personal data provided by you are also used for direct marketing.

### 3 WEBINAR

If you provide us with your e-mail address, you will have the opportunity to participate in a webinar. Webinars inform you about new versions of products, training, offers, legislative novelties etc. You can unsubscribe from webinar notifications at any time by clicking on the link in the delivered invitation or by sending us an e-mail to: [info@axiomprovis.cz](mailto:info@axiomprovis.cz)

### 4 COOKIES

The websites [www.one-core.com](http://www.one-core.com) use cookies. Cookies are used to identify the traffic on the websites listed above. The information stored in cookies is used for advertising and statistical purposes and for the purposes of adapting our website to your individual needs. You can change the setting of cookies in your internet browser. If you do not change the setting, cookies will be stored in the memory of your device. Changing the setting of cookies may limit the functionality of the website.

### 5 GOOGLE ANALYTICS

The website [www.one-core.com](http://www.one-core.com) uses analytical mechanisms of Google Inc. network services: Google Analytics, Google Double Click and Google Tag Manager. Google Analytics, Google Double Click and Google Tag Manager use cookies to analyse the website usage. Information collected by cookies are transferred to Google servers. The IP address provided by the user's browser through Google Analytics is not stored together with other Google data. Users can disable storing cookies in their web browser.

## 6 SOCIAL PLUG-INS

The website [www.one-core.com](http://www.one-core.com) contains plug-ins of social networks of Facebook, Twitter, LinkedIn and Google Plus. With these plug-ins, you are directly connected with the social networks listed above. These social networks can then obtain information that you have visited our website from your IP address. If you do not wish the above social networks to obtain information about your visits to our website, we recommend logging out of your profiles before the visit.

## 7 RIGHT TO INFORMATION, OBJECTIONS

You can contact us in writing or by e-mail with a request for free information about the personal data that we collect and process about you. You can also raise objections to the processing of your personal data and request restrictions on the processing of your personal data or erasure of the data. We will take necessary measures to immediately stop processing your personal data and remove them from our databases free of charge.

In this case, please contact us by e-mail at: [info@axiomprovis.cz](mailto:info@axiomprovis.cz) or in writing at: AXIOM PROVIS Int., s.r.o., Pod Vrškem 5360, 760 01 Zlín.
