### **Determination of liabilities**

Any software that is made available to download from the Services („Software“) is the copyrighted work of Microsoft and Solitea, a.s.. Use of the Software is governed by the terms of the end user license agreement, if any, which accompanies or is included with the Software („License Agreement“). An end user will be unable to install any Software that is accompanied by or includes a License Agreement unless he or she first agrees to the License Agreement terms. Third party scripts or code, linked to or referenced from this website, are licensed to you by the third parties that own such code, not by Microsoft.

The Software is made available for download solely for use by end users according to the License Agreement. Any reproduction or redistribution of the Software not in accordance with the License Agreement is expressly prohibited by law and may result in severe civil and criminal penalties. Violators will be prosecuted to the maximum extent possible.

Without limiting the foregoing, copying or reproduction of the software to any other server or location for further reproduction or redistribution is expressly prohibited, unless such reproduction or redistribution is expressly permitted by the license agreement accompanying such software. The software is warranted, if at all, only according to the terms of the license agreement. Except as warranted in the license agreement, Solitea, a.s. hereby disclaims all warranties and conditions with regard to the software, including all warranties and conditions of merchantability, whether express, implied or statutory, fitness for a particular purpose, title and non-infringement. For your convenience, Solitea, a.s. may make available as part of the services or in its software products, tools and utilities for use and/or download. Solitea, a.s. does not make any assurances with regard to the accuracy of the results or output that derives from such use of any such tools and utilities. Please respect the intellectual property rights of others when using the tools and utilities made available on the services.
